

Franklin Community Schools Band Boosters Organization

1265 North Main Street, P.O. Box 756
Franklin, Indiana 46131

Community Members, Families, and Friends:

The **Franklin Community Schools Band Booster Organization** is seeking community sponsorship for the **Franklin Community High School Band and Guard** programs. The band boosters are a non-profit 501(c)(3) organization that supports the Franklin Community Schools Instrumental Music Program by seeking donations and financial support from individuals, businesses, and community organizations. We are continually looking for new ways to connect with our community to encourage stronger bonds, community awareness, and excitement through the musical arts.

Each year the high school instrumental music program encourages more than 160 students and families to explore the performing arts. Franklin Community High School offers three concert ensembles - Wind Ensemble, Symphonic Band, and Concert Band - Jazz Ensemble, Marching Band, Indoor Percussion Ensemble, and Winter Guard. Students in these high caliber programs participate in rehearsals, performances, and competitions, along with maintaining their grades and other academic and athletic commitments.

One primary source of revenue comes through program member fees that are paid by families. These fees are used for equipment, uniforms, contest entry fees, and additional instruction staff to assist in the advancement of the student performers. Our band booster members work throughout the year to organize multiple fundraisers to assist in the expenses of our programs. Since member fees and fundraising do not cover all of the expenses, we are reaching out to our community by offering an opportunity to participate in the success of these students by becoming a program sponsor. Your monetary donation can help maximize finances and provide continued education and opportunities for our students. As part of the sponsorship program, ten percent (10%) of all funds raised are put directly towards a student scholarship fund.

The Franklin Community Schools Band Boosters are also seeking donations for specifically for our member scholarship fund to enable students who are experiencing a financial hardship to have the same opportunity as their peers and enjoy the world of music!

Please consider a level of sponsorship may best fit your business. **Thank you for your consideration in partnering with our award-winning program and investing into the lives of today's youth!**

Kind Regards,

Tim Kosch, Director of Bands
Franklin Community High School
