

# FRANKLIN COMMUNITY HIGH SCHOOL INSTRUMENT MUSIC DEPARTMENT

## 2022-2023 General Fee Information

The Franklin Community High School Instrumental Music Department and Franklin Community Schools Band Booster Organization are able to provide numerous opportunities to our students that we believe improve their musical education and experiences. For our program to provide these opportunities to all our students the band booster organization charges a nominal fee referred to as the **GENERAL FEE**.

The General Fee is assessed one time a year to all high school students who participate in any curricular or extra-curricular, high school Instrumental Music Department ensemble – Wind Ensemble, Symphonic Band, Concert Band, Jazz Band, Marching Band/Color Guard, Indoor Drum Line, and Winter Guard. The General Fee is used to help cover the operational costs of the Instrumental Music Department and band booster organization. A student will only pay the General Fee **once**, regardless of the number of ensembles they participate in a school year.
